ART ROOM
Half-term Creative Workshops for Children

Welcome to the Fife Arms' Art Room, a programme of creative workshops inspired by the art and interiors of the Fife Arms.

The programme combines creative and outdoor activities, from hands-on workshops in nearby St Margaret's Art Centre to walks around the beautiful village of Braemar, all hosted by professional artists and knowledgeable local experts.

For younger children, individual Art Packs are available to enjoy during their stay, and these can be collected from the Ghillie's desk in the Fife Arms Lobby.

Please note that all workshop places must be booked in advance.* E-mail lorraine.grant@thefifearms.com to secure a place for your children.

All Fife Arms' Art Room activities and Art Packs are free of charge to guests.

*As the safety and enjoyment of Fife Arms' guests is of paramount importance, workshop participant numbers have been limited to ensure compliance with current Covid restrictions in Scotland.
