

FIVE ARMS HOTEL

Easter Art Room

29TH MARCH – 14TH APRIL 2024

CREATIVE ACTIVITIES FOR CHILDREN & FAMILIES

Welcome to the Fife Arms' Easter Art Room programme, which offers a range of free creative activities for children and their adults to enjoy, whether working alongside professional artists or simply together as a family.

In this Spring season of Art Room, we are inspired by the historic decorative ceramics within the hotel's collection and the Scottish travel writings of Georgian diarists James Bosell and Samuel Johnson who captured the wild beauty of the Scottish landscape around us.

Whether experimenting with different still life painting with guidance from a professional artist, penning your own poetry or postcard from Braemar, or simply grabbing a sketch book and heading outdoors to be inspired by our stunning local environment as your creative canvas, Art Room has your creativity covered.

The Fife Arms Family Room is stocked daily with fun and creative Easter resources for all ages, along with books, games and movies to entertain, and you'll find a range of self-guided trails, quizzes and art challenges at our Ghillie desk and a roving Art Cart to dip into at any time of the day.

All Art Room activities are free to Fife Arms' guests and all materials are provided.

Whatever you sketch, paint, write or make at the Fife Arms, please remember to share images of your family's creativity with us on [#FifeArmsfamily](#).
